IECF has received an \$8,000 grant for Denise Sims to participate in the Warhol Academy Digital Marketing Program. In this 24-week, part time, hybrid program, participants gain real-world, project-based experience from instructors who are practicing professionals. Denise was selected to participate after a rigorous application process.

Participants plan and conduct outreach campaigns, collect and analyze metrics to measure impact on your target audience, and leverage data outcomes to better tell your organization's story.

Learn more about the program here: <https://www.thepopdistrict.org/the-warhol-academy>

Congratulations Denise!

Equipment Grant Awards

IEC Foundation seeks to support not-for-profit organizations, to create opportunities introducing and guiding men and women to successful and satisfying careers in the electrical and communications industries through Equipment Grants. Equipment grants are made available throughout the year to IEC Chapters as our partners donate. Equipment is also granted annually through our formal application process.

Thank you Southwire, Milwaukee Tool, Schneider Electric, Graybar, Ideal, Legrand, Ideal & Eaton for your continued support!

IEC Foundation partners are key to the success of our programs. Click the link below to learn more about partnering with IECF and investing in the future of the electrical industry: <https://www.iec-foundation.org/brochures>

American Red Cross Training Services

Flexible classes for safety certification renewals.

Train for the Moments That Matter

Call 1-800-937-8329

Your work environment may have been altered by the pandemic – but the need to **train for the**

moments that matter and be prepared to respond to emergencies has not.

Our new First Aid/CPR/AED lifesaving training program is unmatched in design and flexibility, enabling your team to learn lifesaving skills in less time. Red Cross offers a selection of online, remote and in-person instruction-led course formats which makes it easy for your team to train **when**, **how** and **where** you want. Each student is issued a 2-year OSHA compliant certification upon successful completion of classes.

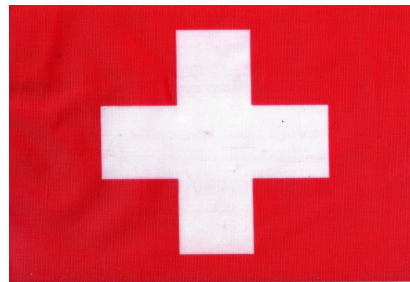

Call 1-800-937-8329 to learn more.

Participants must have a valid email address to complete online training.

To ensure you receive Training Services emails from the American Red Cross, please add info@outreach.redcross.org to your address book.

We respect your privacy.

American Red Cross Training Services
431 18th St NW Washington, DC, 20006, US
